

Views this spectacular need little introduction

From the one that started it all, inventing the category of clean face, the TC42's dynamic, full flames are a commanding presence in any room.

Town & Country's TC42 is all about a big, bold fire, uncluttered by louvers or unnecessary trim. Flames dance among your choice of burners - traditional logs, classic river rock or modern tumbled glass. And our venting versatility puts the TC42 where you want it.

PRODUCT FEATURES

- Clean Face with huge ceramic disappearing glass
- Flush Hearth for authentic look of a wood burning fire
- Create your perfect fire inside the firebox with Design-A-Fire
- Integrated Micro-Mesh Safety Screen
- Overhead LED Interior Lighting
- Natural gas or propane
- Battery back-up to operate during power outages
- Versatile Installation up to 110 feet from an exterior wall with optional power venting
- Superior materials and construction
- Full integration with Smart Home Control Systems

Please note: Due to elevation and fuel type, flame characteristics may not be exactly as shown.
