

A fireplace to fit the greatest of rooms

The TC54 dares to go into great rooms and commercial settings that, until now, could only be served by a custom-built fireplace.

Town & Country's TC54 is the largest factory-built direct vent gas fireplace you will find, and features tall, vibrant flames behind premium "disappearing" ceramic glass so non-reflective that you will swear it is an open fire.

PRODUCT FEATURES

- Clean Face with huge ceramic disappearing glass
- Flush Hearth for authentic look of a wood burning fire
- Create your perfect fire inside the firebox with Design-A-Fire
- Integrated Micro-Mesh Safety Screen
- Overhead LED Interior Lighting
- Natural gas or propane
- Battery back-up to operate during power outages
- Versatile Installation up to 66 feet from an exterior wall with optional power venting
- Superior materials and construction
- Full integration with Smart Home Control Systems

Please note: Due to elevation and fuel type, flame characteristics may not be exactly as shown.
